AUGUST 14, 1995

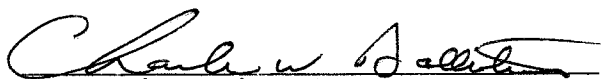

IN RE: Application for a Certificate of) ORDER
Public Convenience and Necessity to Operate) GRANTING
as a Reseller of Telecommunications services) REQUEST
within the State of SC.

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of LDDS Communication (LDDS) for the cancellation of the ATC Long Distance (ATC) authority and withdrawal of its tariff. ATC was granted a Certificate of Public Convenience and Necessity as a Reseller of telecommunications services by Order No. 90-1035, dated October 23, 1990. In 1992, LDDS acquired ATC by stock transfer. LDDS now comes before this Commission asking that we cancel ATC'S authority and allow withdrawal of its tariff. We agree that the relief requested by LDDS should be granted and it is therefore granted accordingly. This Order shall remain in full force and effect until further Order of the Commission.
